> THE STAY AT HOME STREET PARTY

Most, if not all of us, are feeling the impact of lack of physical, social interaction since the UK Government introduced new measures to reduce the transmission of coronavirus (COVID-19).

The single most important action we can ALL take, in fighting coronavirus, is to stay at home in order to protect the NHS and save lives. The Rules Require;

- Stopping all gatherings of more than two people in public.
- Closing certain businesses and venues.

Every person in the UK must comply with these

Safe ways to tell your neighbours:

P.S. YOU'RE NOT INVITED ;)

Over the Fence
Give them a ring
From the end of the drive
Shout it from the rooftops (not literally,
perhaps the upstairs window)
Got a printer? Print one of our posters, put
it in your window, put it on their car!
