

HAIR TO BE DIFFERENT

'I was diagnosed with breast cancer in March 2020. Even when all the treatment is over, the image we are left with is a constant reminder, which goes far deeper than vanity alone. A loss of a known identity, a rebirth of the new. A positive attitude and a good sense of humour helps.'

- Adele King

**'I WON'T BE
DROWNED
BY MY
DIAGNOSIS'**

**'I MAY BE
BALD BUT
I'M BLOOMING'**

**'WELCOME
TO THE
HAIRGROUND'**

AS IF HAIR WERE NO TOMORROW

WHAT DO YOU WANT YOUR

'HEADPIECE' TO SAY ABOUT YOU.
